County reserves the right to contact each Client to attest to Proposer's service delivery. County will use this information to substantiate the outcomes of the service(s) provided to Clients.

C. RFP Subparagraph 8.4.2.2.1 is deleted in its entirety and replaced as follows:

The final Q & A document is released as an attachment to this Addendum.

## **ATTACHMENT 1 (AAA-SSP-1920 RFP QUESTIONS AND ANSWERS ADDENDUM TWO)**

Pursuant to the RFP Subparagraph 7.5 (Proposer's Questions), this Question and Answer document provides answers to questions received in response to RFP No. AAA-SSP-1920 RFP. The questions/answers have been summarized/edited in order to capture the essence of the speaker's communication without losing its integrity. Please note that similar questions may be combined and answered together.

Question 1: Can you provide a link to the RFP?

Answer 1: The AAA-SSP-1920 RFP may be accessed using the following hyperlink, please: <https://wdacs.lacounty.gov/doing-business-with-wdacs/rfp/>.

Question 2: I would like to speak to the person who will be overseeing this campaign please. I would like to discuss billboard advertising to help build awareness.

Answer 2: In order to maintain the integrity of this open competitive procurement, all communications must be addressed to the following e-mail: [aaarfp@wdacs.lacounty.gov](mailto:aaarfp@wdacs.lacounty.gov).

Question 3: Is the RFP for a profit organization? Page 3 of the RFP has information as if it is only for a non-profit organization of different classifications, however on the Appendix D, Exhibit 1, it mentions Profit making firms or businesses.

Answer 3: Subparagraph 3.2.4 (Organization Business Structure) of the RFP indicates that Proposer's business structure shall be non-profit, public/government entity, or joint powers agency. Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 1 (Proposer's Organization Questionnaire, Affidavit, and Community Business Enterprise Information), Item 1 indicates that Proposer shall select which option best describes its organizational business structure. When completing Exhibit 1 (Proposer's Organization Questionnaire, Affidavit, and Community Business Enterprise Information), Item 1 and Proposer selects a business structure that is not a non-profit, public/government entity, or joint powers agency then Proposer will not meet the Minimum Qualifications.

Question 4: Can you please let us know if our agency is an approved organizational business structure?

Answer 4: Subparagraph 3.2.4 (Organizational Business Structure) of the RFP indicates that Proposer's organizational business structure shall be non-profit, public/government entity, or joint powers agency, please. As such, if your organizational business structure is "for-profit" then that would not meet this Minimum Qualification requirement, please.

Question 5: Do we have to attend the Mandatory Proposer's Conference? Why can't it be conducted by webinar?

Answer 5: In accordance with Subparagraph 7.7.1 of the RFP, all potential Proposers must attend this Conference in order to submit a proposal otherwise their proposals will be rejected as non-responsive (disqualified) without review and eliminated from further consideration, please.

Question 6: Does this RFP only cover 1 year (F/Y July 2019 – June 2020)?

Answer 6: In accordance with Subparagraph 2.2.2 (Anticipated Subaward Term) of the RFP, the Subaward term shall be for a period of one (1) year with three (3) annual options to renew where such renewals shall be determined at County's sole discretion (contingent upon availability of funding, Subrecipient's performance, and other criteria to be determined by County).

Question 7: It is a lot of work to do one RFP for one year and then another RFP for the next four years. Is this a new protocol and will RFP's now be done on a yearly basis?

Answer 7: In accordance with 22 CCR 7354 (9), yearly contract renewals up to three years following the initial contract year are allowable at the discretion of the AAA (County of Los Angeles Workforce Development, Aging and Community Services) subject to annual renegotiation and availability of federal, State, and local funding. As such, County conducts procurements in accordance with federal, State, and County regulations and requirements.

Question 8: Does the whole RFP need to be completed and turned in to the by April 15, 2019 if we want to receive services with the County for F/Y July 2019-June 2020?

Answer 8: In accordance with Subparagraph 7.8.2 of the RFP, a proposal is comprised of the Business Component and the Cost Component. Proposer shall submit one (1) original hardcopy proposal, four (4) duplicate hardcopies of the proposal, and two (2) electronic versions of the proposal by the final proposal due date and time noted in Subparagraph 7.3 (RFP Timetable) of the RFP, please.

Question 9: What outcomes specifically should be included in the chart? Can an example of the envisioned chart be provided?

Answer 9: There is no predetermined outcome measure chart since all Service Categories are separate and distinct. Proposer shall provide performance measures that prove the effectiveness of each Service Category provided by Proposer in the last five (5) Fiscal Years. The Administration for Community Living (ACL) website contains the information and tools necessary to conduct performance-related surveys of Older Americans Act (OAA) service recipients. Proposer may utilize the ACL website's Performance Outcome Measurement Project (POMP) toolkit (<https://acl.gov/programs/pomp>) to design and provide data on the outcomes of the Services provided to its clients.

Question 10: Can the written testimonials be provided by family caregivers of clients that are unable to provide written testimonials themselves for cognitive reasons?

Answer 10: Yes, written testimonials may be provided by family caregivers on behalf of the Clients who are unable to provide written testimonials themselves.

Question 11: Are we limited in the amount of time that we can bill for Care Management for clients that require contact more than once a month in order to coordinate, arrange, and monitor services?

Answer 11: The amount of time that can be billed for Case Management is not limited and is based on actual time services were provided and are not rounded to the nearest hour. The amount of actual time must be consistent with the Client's Care Plan in identifying the Client's goals and intervention plan to resolve Client's needs and problems. Each Client's needs are different and therefore, the amount of time provided to the individual Client is subject to the intervention plan of locating, coordinating, and arranging services.

Question 12: Will all progress notes need to be co-signed by the Project Director or Project Manager?

Answer 12: Yes, all progress notes must be reviewed and approved by the Project Director/Manager (Appendix B (Statement of Work), Subsection 10.10.1.3.6).

Question 13: Appendix B, Section 10.10.5.2.8 on page 35, "Medication management, Exhibit P, if Subrecipient decides to take on this task". We want to confirm that we can choose to decline providing this task.

Answer 13: Yes, you may choose to decline providing Medication Management. Appendix B (Statement of Work), Subsection 10.10.5.2.8 under the Alzheimer's Day Care Services details that the decision to provide Medication Management is up to the Subrecipient as follows: Medication management (see Appendix A (Sample Subaward), Exhibit P (Definitions)) if Subrecipient decides to take on this task. *The decision on whether to manage medication shall be made before the Program admits Clients.*

Question 14: Where do we put that in the RFP?

Answer 14: Proposer may indicate this response in Section D (Proposal's Approach to Provide Required Services). In doing so, Proposer may detail the justification for why Medication Management will not be offered under Alzheimer's Day Care Services and how Proposer will ensure that the Program Services meet the special care needs of the Client eligible for this Service category as required under Appendix B (Statement of Work), Subsection 10.10.5.2.

Question 15: Appendix B, section 10.10.5.3 on page 36, "Subrecipient shall insure that sites operating in Adult Day Program, Alzheimer's Day Care Services and Elderly Housing Facilities does not receive funds from another source (i.e., Medi-Cal, private payment fees in the form of a flat/bundled rate, etc.) for the cost of the same service." The rate of \$76/Day is too low. Can you explain what you mean by "flat/bundled rate?" Also, what you mean by the "cost of the same service?" Example: Can the contracted provider offset the cost for the day by having the client pay the difference? i.e., if the cost is \$130/day, can the provider charge the county \$76 and ask the client to pay the difference of \$54?

**Answer 15:** Flat/bundle rate refers to the cost per day per Client that is paid by another funding source (Appendix B (Statement of Work), Subsection 10.10.5.3). Cost of the same services is when the Client day of attendance is paid by another source (i.e. Med-Cal, private fees, etc.) for the same service detail in Appendix B (Statement of Work), Subsection 10.10.5.1 that Proposer is offering.

Client's contribution is strictly voluntary. Appendix B (Statement of Work), Subsection 10.15 indicates: Subrecipient shall develop and implement a method to enable Clients to voluntarily contribute to the cost of the Program. In doing so, Subrecipient shall clearly inform each Client that there is no obligation to contribute, and that any contributions they make are strictly voluntary. Therefore, "having the client pay for the difference... or ask the client to pay the difference..." is not allowable.

**Question 16:** Section 2.1.3 of the RFP, page 5 "County estimates that the total annual funding for Fiscal Year 2019-20 for SSP services is approximately \$2.9 million and this amount will potentially be distributed to each Supervisorial District as follows:" Specifically in section 2.1.3.1.5 "Supervisorial District 5: \$1,104,155". How much of the \$1,104,155 will be allocated to Alzheimer's Day Care Services? In previous years, it has been around \$52,000/year. Can an agency apply for more? If so, what is the limit?

**Answer 16:** The funding allocation for each Supervisorial District comprises all six (6) Service Categories (Case Management, Personal Care, Homemaker, Respite, Alzheimer's Day Care and Registry). There is no limit to the Services proposed provided that the total funding is within the maximum funding allowable. However, County is committed to ensuring that a comprehensive system of care consisting of all six (6) Services are covered by each Supervisorial District and therefore, funding will be based on these core Services.

**Question 17:** What specifically does the written testimonial need to include?

**Answer 17:** A written testimonial demonstrates how the services improve the Client's well-being (i.e. mental, social, physical, etc.) It should describe the type of service(s) the Client received and how the service(s) impacted the well-being of the Client. A customer satisfaction survey detailing the service(s) provided to the Client and how the service(s) impacted the Client may also be used. The written testimonial must include the Client's signature (if Client is able to sign) and contact information; his/her name and daytime phone number.

Question 18: Do written testimonials have to be handwritten or can they be typed?

Answer 18: Written testimonials may be handwritten or typed. Both handwritten and typed testimonials should include Client's signature (if Client is able to sign).

Question 19: Does a written testimonials submitted in a language other than English need to be translated and included in the proposal?

Answer 19: Yes, written testimonials submitted in a language other than English must be translated. Translation of the testimonial should be completed by a person acting on behalf of the Client (i.e. family member or caregiver), however, Agency Staff may assist in translating if the Client has no such informal support. Proposer should include the testimonial in the original language and the translated copy in the proposal. In addition, the written translated testimonial must clearly state the reason(s) for the translation by the caregiver or Agency Staff and also include the name, daytime phone number, and signature of the person who completed the translation.

Question 20: Is there an alternate method in which a Client who has difficulty or cannot write to provide a testimonial?

Answer 20: A person acting on behalf of the Client (i.e. family member or caregiver) may transcribe a testimonial that is dictated by a Client who is unable to write. If the Client has no such informal support, a member of the Agency's Staff may assist in completing the testimonial for the Client. Transcribed testimonials should be signed by the Client (if Client has the ability to do so), must clearly state the reason(s) for transcription by the caregiver or Agency's Staff, include acknowledgement and agreement of the transcription, and include the name, daytime phone number, and signature of the person who transcribed the testimonial.

Question 21: Some Clients receive multiple services within the SSP service categories. If such Client submits a testimonial/survey in which they indicate receiving multiple services, could that one testimonial/survey be used for all the applicable services?

Answer 21: Yes, a duplicated testimonial/survey of the respective Client may be submitted to reflect the applicable proposed services. However, the testimonial/survey must detail the type of service(s) provided to the Client that constituted the duplicated testimonial/survey submissions.

- Question 22: Could Client volunteered testimonials for similar WDACS programs like Linkages or FCSP provided during the course of this year be submitted?
- Answer 22: Yes, Client testimonials for Linkages and FCSP may be submitted. The intent of the testimonial is to understand Proposer's operation, how Proposer assists the Client, and how this impacts the Client. Testimonial shall include Client's name, daytime phone number, and signature (if Client is able to sign), as County may follow-up with Client if needed.
- Question 23: Can testimonials from Clients who have passed away or Clients who would like to remain anonymous be submitted?
- Answer 23: Testimonials submitted from Clients who are deceased or wish to remain anonymous will not be acceptable.
- Question 24: Gathering twenty five (25) written testimonials from Clients in the short time frame of the RFP is very challenging. Can the number of testimonials be reduced?
- Answer 24: To ensure we have sufficient number of testimonials to validate the effectiveness of the Services, the number of testimonials is reduced to ten (10). Additionally, testimonials from Clients who received services in Fiscal Year (FY) 2017-18 may also be included.
- Question 25: Can you provide a list of all eligible zip codes in Los Angeles County excluding the city of Los Angeles?
- Answer 25: List of zip codes included in Los Angeles County is provided in Attachment 2 (Los Angeles County Area Agency on Aging Planning and Service Area (PSA) 19 By Supervisorial District and Zip Codes) of this Addendum.
- Question 26: Can a Proposer propose to only serve a specific population within the target population (i.e. individuals with cognitive impairment with the exclusion of other older adults)?
- Answer 26: Yes, a Proposal may target a specific population within the target population (i.e. Alzheimer, dementia, cognitive impairment, disability, etc.) within the SSP Eligibility Criteria. However, Proposer shall not deny services to any eligible Clients as defined in Appendix B (Statement of Work).

Question 27: Does the MOU with the FCSP provider need to be in place at the time of submission of the Proposal or at the time of funding? If it is the latter, will WDACS help facilitate this?

Answer 27: The MOU with FCSP provider(s) must be in place at the time of the funding. WDACS will assist with facilitating this mandated MOU with the awarded Subrecipients and the FCSP providers.

Question 28: Are there any restrictions on who can be listed as a reference on Exhibit 2 (Proposer's References)?

Answer 28: Proposer shall include references which can substantiate Proposers' qualification/experience in providing specific SSP services. References shall be from separate contracts providing separate services. Proposer shall not utilize the same contract citing three different contacts. However, if Proposer has multiple contracts providing different services with an entity, Proposer may list separate contacts for each of the contracts.

Question 29: Can WDACS be used as a reference on Exhibit 2 (Proposer's References)?

Answer 29: Yes, WDACS may be used as a reference on Exhibit 2.

Question 30: Do Lower Tier Subrecipients need to be nonprofit organizations and meet all the requirements in the Subaward?

Answer 30: Yes, Lower Tier Subrecipient(s) should be a nonprofit agency and meet all the requirements set forth in Appendix A (Sample Subaward).

Question 31: Should contracts that expired but were renewed with a new contract number be included on Exhibit 4 (Proposer's List of Expired and Terminated Contracts)?

Answer 31: Yes, include all expired contracts within the past seven (7) years. You may use the space under which you make a selection of the Status to provide an explanation if needed.

Question 32: Subparagraph 8.4.2.2 of the RFP indicates that the proposal will be evaluated based on County's review of the documents submitted in response to Subparagraph 7.9.6.3. What criteria will be used to evaluate those documents?

Answer 32: County will review and evaluate the documents submitted in response to Subparagraph 7.9.6.3 based on the financial criteria set forth by the Auditor-Controller.

Question 33: Is it acceptable if our facility is located in the City of Los Angeles but we are providing services to Los Angeles County?

Answer 33: Yes, it is acceptable.

Question 34: Do we need to provide documentation identifying the coverage amount for each type of insurance or will documentation which includes the total of all coverage be acceptable?

Answer 34: In accordance with Subparagraph 8.24.2.3 of Appendix A (Sample Subaward), certificates shall identify all required insurance coverage types and limits specified in this Subaward, reference this Subaward by name or number, and be signed by an authorized representative of the insurer(s). Furthermore, required insurance coverage types and limits are identified in Appendix A (Sample Subaward), Subparagraph 8.25 (Insurance Coverage).

Note: Zip code boundaries and names are established by the U.S. Postal Service (USPS). Zip code boundaries do not necessarily follow established municipal, community, and other district boundaries. Therefore, while a zip code name usually reflects the municipality or community that predominates that area, it does not necessarily coincide entirely with the established municipal, community, or other district boundaries. Thus, a zip code name may include parts of other communities and/or districts not reflective of its name.
